Documents you may receive in the financial planning process

We will provide you with several documents as you progress through your financial planning and advice journey. We may provide these documents electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA). The SoA contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of our advice.

If we provide further personal advice an SoA may not be required. We will keep a record of any personal advice we provide you for seven years. You may request a copy of such records by contacting us during that period.

If we recommend or arrange a financial product for you, we will provide a Product Disclosure Statement (PDS), or Investor Directed Portfolio Services (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks, as well as the costs you will pay the product provider to manage that product. You should read any warnings in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

AMP Limited holds a minority stake (currently 30%) in Akumin Pty Limited.

We can provide advice on products and services from a wide range of financial product and service providers, some of which are related or associated with the Licensee.

appropriate for your needs, we may, subject to the Licensee's approval, recommend other products.

Authorised Representatives and/or staff employed in our business may hold shares in AMP Limited, whose share price may be favourably affected by the sale of products issued by AMP Group companies.
